Ed. Cairns, Registrar, Queen's College, Belfast.

QUEEN'S COLLEGE, BELFAST—continued.

ANSWER of the Secretary of the Queen's University in Ireland, to the Orders of the House of Commons of the 24th June and 5th July 1870.

Queen's University, Dublin Castle,
9 November 1870.

THERE are no Scholarships or Exhibitions attached to the Queen's University; but certain Exhibitions, known as Peel Exhibitions, were founded by public subscription, under the following circumstances, and attached to the three Queen's Colleges jointly.

AT a public meeting of the University in October 1861, Sir Robert Peel offered the sum of 1,200*l.* to found Exhibitions, to be competed for annually for 10 years; and he expressed his desire that these prizes should be tenable along with the small scholarships attached to the Queen's Colleges, in order that his benefaction might have the effect of increasing the value of the rewards provided for the most deserving students.

WHEN announcing this magnificent gift, Sir Robert Peel invited others to co-operate with him in thus endeavouring to promote united education, without adding to the burden on the public purse, and his invitation met with so ready a response that it became necessary to form a committee, who should take charge of the subscriptions and make regulations for the proper allocation of the funds. This committee consisted of Sir Robert Peel, Bart., M.P., G.C.B., Chairman; the Duke of Leinster; the Lord Talbot de Malahide, F.R.S.; the Right Honourable Abraham Brewster, M.A., Q.C.; Sir James Emerson Tennent, LL.D.; James Napier, D.L.; Alexander Thom, Esq.; Sir Benjamin Lee Guinness, Bart.; William Malcolmson, Esq.; and G. Johnstone Stony, M.A., F.R.S., Honorary Secretary.

THE Peel Exhibitions which were held by students of Queen's College, Cork, and Queen's College, Galway, in the Session 1868-69, are included in the returns made by the registrars of those Colleges; but those held by students attending Queen's College, Belfast, have not been so included. The following is a statement of them:—
